

Rwanda National Integrated Water Supply and Sanitation Master Plans Project

GENERAL PROCUREMENT NOTICE (GPN)

1. The Government of the Republic of Rwanda has received a grant from the African Water Facility (a special fund administered by the African Development Bank) to finance the **“Rwanda National Integrated Water Supply and Sanitation Master Plans Project”**. The Water and Sanitation Corporation, WASAC is the Implementing Agency. The project will be jointly financed by African Water Facility and the Government of Rwanda.
2. The overall objective of the project is to provide the Government of the Republic of Rwanda with long-term 25 year Master Plans including 10 year investment plans for Water Supply and Sanitation for the entire country that will allow the identification and implementation of effective water supply and sanitation projects. Capacity building activities will also be undertaken under the project.

3. The project has a number of activities which are grouped into three components, namely:

N ^o	Component	Component description
1	Integrated water supply and sanitation master plans development	This involves the development of the National Integrated Water Supply and Sanitation Masterplans.
2	Capacity building	In order to be able to achieve sustainable water supply and sanitation targets, capacity building in the implementation, operation, maintenance and management of water supply and sanitation projects for WASAC, District and Private sector staff will be undertaken.
3	Consultation and project management	This component comprises project management and consultation activities and aims at effective and efficient implementation of the project and the achievement of the project outputs within the planned resources.

4. All procurement of goods and acquisition of consulting services financed by the Bank will be in accordance with the Bank's Procurement Policy dated October, 2015, using the relevant Bank Solicitation Documents and the provisions stipulated in the Financing Agreement.
5. The procurement arrangements are summarized as follows:
 - **Consultancy Services** shall be procured through Quality and Cost Based Selection (QCBS)
 - **Goods** contracts, which will cover the procurement of office supplies and equipment will be undertaken through Shopping.

5. Interested bidders may obtain further information and should confirm their interest, by contacting the Implementing Agency:
